Angel is a cute twink who loves sex. So what's new with that? Well, He's an adorable Czech boy who conjures up a series of three bareback episodes of lengthy, languorous, ungloved man-lovin'. In these long scenes of raw, extremely passionate Euro-sex, **Angel's Bareback Adventures** features an artist and his big-dicked model giving in to total pleasure; a sweaty gym fuck fantasy; and a titillating videotaping tease. These extra-horny Euro-boys go skin on skin in enthusiastic, condom-free action. Angel is the power bottom in two of the scenes, while he's the calm observer in the middle scene, of two highly charged lovers battling with their mouths and rock-hard love-poles. Vigorous cock-sucking, ardent ass-rimming, and fervent fucking, and, of course, cum-splattered assholes – it's a bareback bone-anza.

Scene 1 – Angel & Rick

A young guy is dressed in ancient Egyptian drag, sitting on a box. He's an artist's model and is being sketched by an unknown hand. Angel is revealed as the artist, a young slim boy with curly hair. Meanwhile, Rick's fat cock has slipped out from underneath his brief costume. Angel notices it and grins. Rick starts playing with his dick. Angel slips off his t-shirt and keeps drawing. He's a skilled artist (yes, in more ways than one). Rick's cock grows and points upward as he sits still. Angel can resist no longer. He walks over, his own pants tenting, and starts to suck Rick's thick, 8", uncut cock, as Rick throws aside his brief costume. Angel's a happy cocksucker. He smiles as he sucks and strokes his model's meat. Angel speeds up his mouth and hand action, interspersed with tonguing Rick's cockhead. Angel licks Rick's nipples as they also kiss. Rick lifts his legs so Angel can have an easier route to suck his balls and cock. They switch positions and Rick strips off Angel's pants, his cock jumping out of its confinement. Rick returns the favor now, going down on the smooth boy's stiffie. A break from some lip-lock serves as a pause amidst the ongoing oral assault. Angel leans back as Rick goes in for another angle, his big blue eyes looking up at Angel who's grinning in ecstasy. Next, Rick leans over on the box, with his butt in the air, as Angel starts licking his ass and rimming his hole. He's tonguing it in extreme close-up - priming it for what's to come? Angel also jerks and licks Rick's cock and balls from behind, and he just keeps on rimming away. But surprise – next up it's Angel who's getting fucked up the ass. He sits down on Rick's raw, hard cock and impales himself on it. It's a kind of awkward position so Rick picks up Angel bodily, his

dick still in, and moves him around – he's lying back on the box so Rick can pound him missionary-style. He moans with pleasure, legs in the air, as Rick keeps on bareback bangin'. Angel strokes his own dick as he's getting pounded, in close-up from below. He pumps harder and faster as he gets pumped. And Angel cums vocally as he's getting butt-fucked from behind. Rick switches to doggie so he can pull out and shoot his load all over Angel's ass-hole. Reinsert and repeat. Rick's still hard as they kiss, and Angel can't resist sucking a little more of his model's man-pole.

Scene 2 – Shane & Samuel

Angel is sitting at the juice bar of his local gym, watching a couple of guys working out on the leg press machine. The pair switches apparatus and Angel sits closer. Suddenly – skipping any set-up or foreplay – Shane and Samuel are naked and hard, and making out on the lat pull-down machine. They're both slim, smooth, ripped, and uncut – Shane's pale and Sam's tan. They are jerking, sucking, and kissing – these boys can't get enough of each other. Shane's sucking Sam's balls and cock. It's back and forth heavy oral action – these guys love it. And somehow, Angel's still watching, in plain view – hmmm. Back and forth, over and over again – mouths to hard cocks. The cock-sucking is filmed from every angle and view. Tongue-to-tongue, balls licking, and rimming also come into play. Shane's talented tongue caresses Samuel's pink, hairless hole, as he lies back on the leg press bench, legs pulled back towards his head. There's more sucking, licking, and tonguing as Sam flashes a satisfied, sexy grin – he loves the feeling. Both of their fingers play with his hole and Shane finger-fucks it a bit, keeping up the thorough rimming. Angel still looks on. After more passionate kissing, Sam stretches out his legs and Shane starts fucking him, doggie-style, standing. Sam's hunkered over on the bench getting pounded, as Shane's beautiful white butt-cheeks clench with his pumping action. More kissing – more fucking. Samuel strokes his dick as he gets drilled missionary. His fist works his dick, the word "fight" spelled out on his knuckles. After this prolonged ass-pounding, Shane pulls out and pulls off, spurting cum on his partner's ass-hole. Of course, he reinserts his oozing cock into Sam's cum-covered hole. Sam beckons his buddy down for a kiss, then he lets loose his own spermy load on his stomach. He teasingly tastes some of it – and they're still making out! But suddenly, next, the three guys are back working out in the gym again, fully clothed. Was this scene all in Angel's imagination – a cum-filled daydream fantasy? Guess so.

Scene 3 – Angel & Luke

Angel's at home sitting on his black leather couch watching gay porn on TV. Of course, it makes him horny and he rubs his crotch through his jeans. Next, he and Luke are sitting on the adjoining sofas, videotaping each other, both rubbing their crotches. Angel unzips and massages his hard dick through his white underwear. He puts down his camera. He yanks down his pants and begins to play with his big hard-on through his stretched-out briefs. His shirt comes off as he caresses his chest and stomach, and he unleashes his big hard cock. He strips totally naked and starts stroking his mushroom-headed cock. Luke is still filming, but he too puts down the camera to play with himself. Off come the jeans. Angel's jerking himself off, smiling, daring Luke to do the same. Luke strips off his black briefs and t-shirt – now nude and strokin'. Luke has a hot, smooth, lithe, muscular body. Angel films him again. His own dick grows bigger as Luke stares hungrily at it. Finally he walks over to Angel and swallows his big hard-on, as Angel films it. Luke kisses Angel's chest and continues to suck his love pole. Next, it's Angel's turn to go down on Luke's iron rod. He makes a meal of it, stroking and sucking. They stand, kiss, and grind their hard dicks together, then Luke goes back in for some more cock-sucking. Angel reaches over to caress Luke's pretty ass. It's Angel next who gets up close and personal with that sweet butt, licking Luke's hole in extreme close-up. It's the second course of his happy meal, and he makes the most of it. But it's Angel who ends up as dessert – he's the designated bottom boy. As they kneel on the couch, Luke gently sticks his ungloved cock up Angel's love chute. Angel grins and moans in pleasure and pain, as Luke plugs his bubble putt from behind. They move off the couch as Luke keeps on pounding, doggie. Again, we see that intimate shot from beneath, Luke ramming it in, Angel taking it all. Luke pulls out and pushes back in a few times. Then he picks up the camera again and starts filming his fucking (where's that footage?!!!!). He puts away the camera and Angel leans on the carpet as he keeps getting nailed. Finally, Luke pulls out and jacks off, and shoots his cum on Angel's hole. He immediately reinserts his sploogy shaft and pumps some more. Angel shoots his own load on Luke's chest and Luke swallows his cockhead to slurp it clean – cum dribbles down his chin. They kiss lovingly as Luke films – The End.
