Czech Republic 2009

Starring: Alan
Samuel
David
Mika
Dominik
Jimmy

Director: Viktor Store

The title says it all – *Bare Ass-Busting Cum Pigs* features three episodes of bareback Euro-lovin'. Three young duos make a feast of hard uncut cocks and primed love-holes. Long, leisurely, passionate mutual blowjobs are followed by fervent, furious fucking. And hot cum is the elixir of love as the guys spurt their creamy loads in the most intimate places. Whether it's on a picnic in the grassy hills outside Prague, in the private office of a horny and flexible doctor, or at home on the kitchen and dining room tables, romance equals hot bareback sex.

Scene 1 – “Picnic” – Alan & Samuel

Alan and Samuel are two cute young guys walking through the woods under the hot summer sun. They pause to smell the wildflowers before climbing to the top of a verdant hill to spread their blanket overlooking a rural airfield. A bottle of wine, sandwiches, a cuddle, waving to the air traffic, and a kiss – and forget the food, forget the planes overhead – it's a perfect day for a picnic of love! Shirts come off and Alan's hard uncut cock is freed from his jeans and underwear – just what Samuel wants for dessert! Next, Sam's big hard-on strains to be unloosed from his shorts, and Alan obliges. The two naked boys are feasting on each other's dicks under the rich blue sky, not caring who might see. It's not long before Sam's lies back on their blanket, his legs in the air, as Alan lubes his cock and Sam's eager asshole. He plunges in gently, his pale white bubble butt pushing slowly in and out. Sam strokes his dick quickly with the rush of having his lover inside him, skin on skin. Alan can't hold it in any longer and he spills his seed all over his buddy's hole, and plays with it, rubbing and fingering Sam's love chute. But these boys have plenty of energy left. They're ready to flip-flop. Alan's legs go up and Sam's ever-hard cock gets plugged in. He's pumping his pal fast and slow. The surrounding field grass blows in the breeze. And check it out -

Sam even manages to fuck Alan from a horizontal position! He finally pulls out to spurt his load on Alan's tongue as Alan sucks out every drop and the white stuff dribbles out all over him.

Scene 2 – “At the Doctor’s Office” – David & Mika

Handsome, but worried-looking David walks into the doctor's office. He removes his leather jacket, dressed in tight jeans and fashionable t-shirt. “There's something weird by my penis” he complains to the sexy slim M.D. sitting at his desk. “Would you take off your clothes, please?” “Yes, of course.” Luckily there's no inconvenient receptionist in this office. David strips naked to show off his ripped smooth body. Doctor Mika rolls over to have a look at the penis in question, examining it closely. He sees nothing wrong except some growth – the good kind – and he quickly goes in for the “oral” examination. David doesn't seem to mind. It's the best doctor's visit he could imagine. He smiles as Mika gives him the most thorough oral/genital exam he's ever had – deep-throating, face-fucking, wet and sloppy – wow, no gag reflex! Mika pulls his mouth off after a long while and stands for some kissing as David helps him out of his white scrubs. His freed cock stands at attention and now it's David's turn for the patient to do some work as he kneels in front of the seated doc and starts feasting on his hard long love-tool. He mouths and sucks and tongues like a pro. Mika then stands up to give everyone a better angle, to suck, film, and to watch. Finally, David leans over the examination table, sticking up his bubble butt and Mika pumps his ungloved cock right in. David's in heaven as he gets furiously porked balls-deep. David turns over on his back as Mika continues his anal attack. Some hot mouth-to-mouth punctuates the ass assault but the doc just keeps on fucking faster and faster. Mika pulls out suddenly to pull off a creamy load on his patient's hole. He reinserts slowly to prolong the sensation of gooey skin-on-skin. And this medical exam is sealed with a kiss. But wait, it's not over yet - Mika lies back on the table and shoves his legs behind his head. He's a human pretzel! His hairy asshole opens to the sky for David to do some heavy duty licking and rimming. David even fucks him a little, smacking his dick on Mika's ass. Then, they're both stroking their cocks hard – David spurts a load on the doc's hole and Mika cum's again in his own mouth! What a guy! Another successful treatment!

Scene 3 – “My Boyfriend” – Dominik & Jimmy

Two guys spend a crisp autumn day touring the grounds of a local palace. Both have pointy haircuts, Dominik with light brown hair and Jimmy dark hair. They pose for pix on waterless fountains, stop for lunch, explore the ornate exteriors of the building, and can't resist making out in a secluded niche. Next, they're at home, naked but for their tight underwear, brewing some coffee in the kitchen. But they're drawn to each other's hot smooth bodies and they start making out. Jimmy licks Dom's nipple and then arrives at his bulge, pulling down Dom's shorts to reveal a nice thick uncut sausage which he swallows and sucks. Soon, they're both naked as Jimmy continues to work on his boyfriend's dick. He licks and slurps lovingly on Dom's hard shlong. Next, it's Jimmy's turn to have his hard cock eaten by Dominik. He chows down on the cockhead like a straight boy! Quickly, Dom's fucking Jimmy bareback sideways. Jim's up on the kitchen table, his back leg on Dom's shoulder. Next, it's a fast switch as Jimmy's impaling himself on Dom's cock as Dom lies back in the kitchen pass-through – very acrobatic! Soon, Jimmy's on his back on the dining room table (more space) as Dom fucks him mish in extreme close-up. Dom's close. He pulls out to jack off strenuously, and lets loose a cum-load on – you guessed it – his partner's asshole. And Dom sticks his cock back in for good measure. He then slurps down on Jimmy again to get him ready – Jim strokes off and cums on his boyfriend's face. Dom licks him clean and they kiss.

Extras

DVD extras include a photo gallery plus previews of other No Cover Productions titles.
