### *Bareback Lockup*

## Cops and Tricks Prowl the Streets of San Francisco!

FORT LAUDERDALE, FL – No Cover Productions announces the release on DVD of their new video, ***Bareback Lockup***. Filmed on location in San Francisco, the scenery serves as a backdrop for a sexy series of condom-free pick-ups. Cop-cocks and trick pricks get serious work-outs in raw, real guy, sexploits in the steamy city-by-the-bay.

In four scenes of man-sex between horny strangers, a cast of young, tall, slim, smooth, real-looking studs search the streets of SF looking for lustful encounters. In the first and last scenes, young police officers use their latest arrest to haul in unsuspecting suspects to their curiously empty cop shop. It's an opportunity to strike a deal – sex for freedom. The perps barely have to think about it. Cock-sucking and bareback hole-plugging are a cheap price to pay for their get-out-of-jail-free card. In the middle two scenes, it's more like bareback hook-ups than lockups. Pairs of hot boys hook-up by the bay and in downtown, and agree that getting together is a lot better than wandering around the streets alone. A deserted warehouse and comfy apartment provide the settings for more enthusiastic ungloved lust. Whether it's really personal pat-downs, limber positions with self-sucking, exquisitely painful dildo action, or riding the big thick BART-train, the ***Bareback Lockup*** bareback boys revel in skin-on-skin fucking, and the cum flies in all directions.

For extra enjoyment, this DVD also includes a slideshow photo gallery, plus previews of all releases from No Cover Productions.

No Cover Productions is part of 3MD Productions, Inc., with headquarters in Fort Lauderdale, Florida. The company also owns and operates numerous other adult studios - among them are Stable International Entertainment, L.A. Heat Video, Big Cyclops Studios, Drive Productions, R.C. Men Productions, and Anaconda Studios.
