Cop-cocks and trick pricks get serious work-outs in raw, real guy, sexploits in the steamy city-by-the-bay. ***Bareback Lockup*** was filmed on location in San Francisco and the scenery serves as a backdrop for a sexy series of condom-free encounters.

### **Scene 1 – Blake Holden & Nick Jarett**

The camera pans through San Francisco's landmarks - the Golden Gate Bridge, cable car, Alcatraz, and the Transamerica Building. Cut to Blake, a tall, slim, young policeman who's bringing handcuffed Nick back to the cop shop - not to book him but to have some more fun. They kiss and the cuffs come off as they continue to make out. Nick unbuttons the cop's uniform and Blake loses his shirt as Nick strips naked. Blake's the first to initiate cock-sucking. Then he strips down and Nick goes to work on his cock as well. Blake takes a while to get hard - nervous about getting caught? - the better for Nick to deep-throat him to eventual stiffness. Blake sucks some Nick-dick through the jail cell bars. But Nick's a real pro at oral stimulation and he just can't get enough cop-cock. He takes a brief break and Blake takes another turn through the bars. Next, Nick is sitting on a desk leaning over to suck his own cock as Blake watches admiringly. He can swallow the head, tonguing it all around as he strokes to make it bigger. "That's really hot" says Blake and he can't wait for more. Well, soon Nick is setting his round ass down on Blake's rigid fuck-stick. Nick's going up and down on it as Blake lies back and enjoys the ride. They switch positions and Blake's standing, ass-fucking Nick as he leans over and pushes his head through the bars and holds on for support as the cop pounds his butt. Nick's the first to cum, all over Blake's face. Then Blake returns the favor, cumming in and around Nick's mouth. A cummy kiss ends the scene.

### **Scene 2 – Laze & Adian Storm**

Two tall slim guys in jeans and t-shirts hook up along the shore in the Presidio, the Golden Gate Bridge in the background. "It's no fun to be by yourself" says Laze. Adian agrees and they wind up in an empty warehouse. The two start making out. Shirts come off first, but they can't wait to strip off all their clothes. Adian has a big thick cock and Laze goes straight down on his knees to start sucking the monster. Adian face-fucks him for a bit, his balls banging back and forth, alternating with Laze's oral attack, working slowly, drool falling from his mouth and chin. Next, it's Adian's turn to eat cock and he likes it a lot, sucking balls too. It takes time, but Adian's oral talents finally harden Laze's big cock. Kissing, groping, close-up hole fingering - you know what's coming. Adian leans up against a mattress as Laze licks his sweet asshole and sucks his dick from behind. Suddenly, there's a noise - they stop - is somebody gonna catch them? - who fucking cares! Adian sucks on Laze some more. Laze's dick is hard and glistening with saliva. Adian lies back on the mattress and raises his legs up in the air. Laze starts bareback ass-fucking his hot bottom boy. He then lies behind and pumps Adian from the side. Adian groans with pleasure.

There are lots of close-ups of the anal assault. Laze moves to pound from the top. He pushes Adian's butt further up and licks his open hole before sticking his dick back in, switching to mish, faster. The fucking sounds are loud as the microphone and camera get close. But Adian has something else on his mind – "Are you ready for me to fuck you now?" They move to a raised platform and Adian's big hard cock plunders his new pal's sphincter. It's too much for Laze as loads of pre-cum leak out of his engorged penis. Adian goes balls-deep and raw on Laze - "It hurts so good!" Adian pulls out and spears Laze's ass all in and all out, pumping harder and harder. Adian pulls out as Laze pumps his load into Adian's mouth and Adian sucks it clean. Adian does the same, spurting his cum on his buddy who licks and sucks Adian off. There's some more kissing and then a short postscript as Adian shoves a big ivory-colored dildo up Laze's butt. Laze spurts a big load of man-juice out from the platform and into the camera lens.

### **Scene 3 – Blake Harris & Jason Phisher**

In front of a department store in the heart of downtown San Francisco, at the Market and Powell terminus of the cable car line, a couple of horny, goateed guys hook up - blond Jason and dark, Latino Blake - he's from out of town and looking for a good time. Back at Jason's apartment, they jump into bed and start right in. Jason pulls off Blake's pants, then his shirt and underwear. Jason chows down on Blake's already hard, thick cock. Jason strips off as well and gets back to business. Blake sits back against the wall, enjoying the sensation of mouth on skin. He finally strips off his undershirt revealing multiple tattoos. The break's over and Jason goes back for a second helping of Blake's cock. Finally, it's switch time as Blake's on his knees sucking off his new friend. It takes a while to get a 'rise' out of Jason, but Blake is more than up to the task. He won't stop sucking till he gets results! Jason takes another turn as Blake face-fucks him, then Jason's mouth takes back control. Well, enough of that - Blake takes another helping of Jason's cock and nice round balls. There's a quick cut to Blake fucking his day-trick from the side, both of them lying back on the bed. Blake tells Jason to stand up so he can fuck him from behind. We get to watch from below as he sticks it balls-deep. The two un-clinch and lie back on the bed so they can both jerk off. They're both now long and hard. Blake cums quickly, shooting all over his stomach. He tastes some of his spermy goodness. Jason fist-pumps harder, finally spraying a load on his tummy too.

### **Scene 4 - Tavan Lewis & Trey Richards**

Trey is 'tagging' a storefront, when young cop Tavan comes up from behind and busts the graffitist. Both guys are tall and slim with sort hair. Tavan's wearing his cool cop aviators. He takes Trey back to the station [the same as scene 1] and handcuffs Trey to the jail cell door. He of course gives his prisoner an intimate pat-down. "What's that?" he asks, and Trey responds "It's called my cock!" Officer Tavan pours himself a cup of coffee, ponders a bit, then offers Trey a deal - he can tag all over the city if the cop can suck his prisoner's dick. And it's a go. They kiss as the copy unbuckles Trey's belt, pulls down his pants, pulls out his cock, and starts sucking the stiffie. He goes up and down on it leisurely. "Do you always do this?!" - yeah, obviously not the first time. Tavan unlocks the cuffs and goes back south for more. Trey's shorts come off [twice], then Tavan loses his pants as well. Trey swallows the cop's cock - they're both naked, with hot slim and smooth bodies. Tavan sits down as Trey keeps sucking. Oral Officer Tavan goes down on Trey again. Trey sits as Tavan kisses his body and goes in for more cocky goodness. His technique - slow and thorough. Trey's dick stands at attention but Tavan's cock needs more attention first. Next, Tavan repeats his oral approach and landing. Then a quick cut to him sitting on Trey's hard cock, moving his butt slowly up and down on it. He's got a nice ass and strokes his own dick to hardness as he's being fucked. He's taking a nice long ride on Trey's hot love-pole. Next, he lies back on the table as Trey crams his condomless cock up Tavan's eager asshole. Tavan's perched precariously on the small desk but he's so into power-bottoming, he doesn't care, as he continues to pump his own prick while he's getting pounded. The feeling's finally too much as he erupts in a flood of cum all over his chest and stomach. Trey pulls out, sits back, pulls off with Tavan licking his balls, and he pumps out a load all over Tavan's mouth and chin where it stays dripping off.
