Featuring three even hotter episodes of bareback Euro-lovin', **MBABCP** features two wet and sweaty gym fuck fantasies sandwiching an amazing venture to hardcore BDSM. Three pairs of extra-horny Euro-studs go skin on skin in raw condom-free action. Two hot muscle studs work up a sweat and work out their cocks, mouths and assholes. A mysterious leather-clad hunk tortures and fucks a trussed-up boy who ends up as a contortionist power-bottom. And a couple of cute twink find that their raging hard-ons need sweet release in the gym's shower room. Strong cock-sucking, passionate ungloved ass-pounding, and, of course, cum-splattered assholes – it's a bareback bone-anza.

Scene 1 – “Fever” – Randy & Erik

Randy is doing sit-ups at the gym – he's got that abs burn as he strips off his shirt to show off his muscular smooth build. He starts stretching, his eyes intense, finishing this part of his workout. Meanwhile, Erik walks into the tanning room and strips naked – he has an amazing body. He lies down on the tanning bed and turns it on. You're gonna get turned on as well as the purple light envelops his smooth naked physique, and the camera pans lazily from his head to erect nipples on his muscular pecs to his erect penis pointing upwards. The session over, he walks out, his hard-on leading the way back to the workout room where Randy is immediately eager to swallow Erik's swollen cock. He's sitting on a red exercise ball feasting on Erik's' big schlong. Randy reaches into his shorts to pull out his own straining hard dick and strips them off to release it. The guys kiss before Randy's mouth attacks Erik's cock again for some heavy duty oral. Erik is hungry next and goes down on Randy's long uncut love pole. They're really into each other as Erik goes back up for some lip-lock and nipple sucking before heading back south again. He just can't get enough. But he finally comes up for air and Randy goes down on him some more. Erik is so digging the sensation – they're both really hungry for cock. But all good things cum to those who wait – Randy leans over a workout bench as Erik lubes him up. He shoves his ungloved cock inside and deep and Randy gets a thorough pounding. The camera catches the action from all angles and in extreme close-up. Erik flashes a wicked smile to the camera, gazing with his dreamy eyes as he pumps harder, his ripped muscles straining. From doggie to missionary, he's a fucking machine! Randy moans louder in rhythm to his ass-pummeling – he strokes his own cock at the same time. He pulls off a creamy load from his uncut dick while Erik keeps on butt-fucking him. Erik's close - he speeds up, pulls out, and cums on Randy's asshole – pushing his oozing cock back in, in creamy close-up. Randy's hole winks with dripping splooge. With a little post-coital tongue-on-tongue action, they walk off, hand on ass.

Scene 2 – “Fear” – Erik & Mika

A masked man – a tight black t-shirt – a huge dildo swinging out of his crotch – Erik walks through empty fields to a derelict, crumbling, graffiti-covered building, in the middle of nowhere. Mika is inside, tied up on the floor – blindfolded – helpless, in jeans and a t-shirt. Muscular Erik walks slowly upstairs to where Mika lies, unable to break loose. Leather-booted footsteps come closer to him. Mika doesn't know what's happening as Erik starts smacking him with a leather flogger and that big rubber dildo. Erik takes out a hunting knife and cuts the bonds on Mika's ankles. He forces him to stumble over to a nearby corner window opening. He huddles in the corner in fear. Erik calmly removes his mask and lights a cigarette – he's a real cool customer pondering the punishment he's gonna give his prisoner. There's nobody around for miles to help Mika. Erik walks over and Mika yells in pain as Erik stubs out his cigarette on Mika's arm. Erik strips down to a leather thong. He grabs Mika, pulls out his hard cock and forces Mika to suck it. He shoves Mika over the empty windowsill, three stories up, and pulls out his knife again. He slowly cuts off Mika's shirts and briefly forces him to look down. Mika knows he'll have to do whatever Erik wants. Erik then cuts off Mika's jeans, his knife perilously close to Mika's penis, and then he cuts open the underwear as well. Erik smacks Mika's ass as the remaining shreds of fabric are pulled away – he's totally vulnerable and naked in every sense of the word. Erik then cuts open his own t-shirt, wearing a leather chest harness underneath. Mika is totally at Erik's mercy. “You better be good,” he says (in Czech), “You'll do what I say.” Quickly, Erik is butt-fucking Mika as he's still lying back across the window opening. Erik is now naked too except for the harness, his raw hard cock pounding away. Mika's wrists are still bound together – there's no escape – but does he want to now? They switch from doggie to mish, Mika's legs braced on either side of the corner window opening, struggling to stay balanced, but getting into being fucked. Erik removes Mika's blindfold and pumps him powerfully in extreme close-up. Amd viewed from outside, Mika's head hanging over the edge. Suddenly, Mika is on the floor getting fucked, his legs stretched back to his head, his plundered asshole straight up for fucking. His legs are then tucked behind his head as he jerks off furiously. Mika cums a load of hot jizz on his own tongue and swallows it (wow!). Erik then spurts all over Mika's gaping hole and shoves his cock back in. Mika has only seconds to recover before Erik ties his legs where they are behind his head and Mika is abandoned, his cum-covered asshole exposed to the sky. Erik walks out naked as Mika struggles vainly to get free.

Scene 3 – “Feeder” – Jose & Alan

Cute young Alan is taking a long hot shower at the gym, while ripped smooth Jose is practicing kickboxing moves with his coach in the workout room. Alan's drying himself off with a big ole boner as an exhausted Jose walks in - well, he's not that exhausted! He slips off his shorts to reveal his own raging hard-on. Alan walks over and goes right down on Jose's hard meat. Alan's tongue and mouth are getting a serious workout. Jose bends over so Alan can eat his tight hole as well as continue work from behind on his cock and balls. But it's Jose who's more than ready to stick his bare cock up Alan's power-bottom love canal. His ripped abs and shoulder muscles strain with his piston-like pumping action - in wonderful seen-from-below close-up, of course. Jose gives the camera a smoldering fuck-you look. He shoves his thick cock into Alan's accommodating hole a little more slowly, but balls deep, two bubble butts in tandem motion. Jose speeds it up again; Alan's dick is still hard too. Alan grimaces in pleasurable pain. Jose fucks him on the floor next – still in power-doggie position. And you just gotta love those uncut cocks that stay uncut even when they're hard. Jose pulls out and strokes – Alan's mouth at the ready and he takes the load, sucking Jose's dick clean, warm cum dripping out of this mouth down his chin, Jose still hard. Then Jose sits back, Alan between his legs, as Alan pulls off and his own hot cum flies out.
